YUMA SYMPOSIUM 31 2010

February 25-27

Get more info online at www.yumasymposium.org

YUMA 2010

The Yuma Symposium is a series of demonstrations, lectures and visual presentations given by both internationally recognized and emerging artists who have demonstrated unusual talent. Activities include an exhibit of work by presenters and a student show, the National Saw, File, & Solder Sprints, the annual pin auction, and a fiesta and dance on Saturday night. The 31th Yuma Symposium begins on Thursday, Feb. 25, 2010 with registration, a social gathering and the traditional pin swap from 3:30 - 6:30 p.m. at Lute's Casino, 221 S Main Street. Orientation and informal introductions of the presenters will follow at 7 pm.

Exhibitions and Events:

30 YEARS OF THE YUMA ART SYMPOSIUM - a catalogue of text and photographs documenting the work and history of this unique event.

A VISUAL HISTORY CD - images compiled from 30 years of photo albums.

PIN SWAP For 31 years participants have made pins, usually in their preferred media, ranging from the goofy to the sublime. The best access to and selection of pins will be at registration at Lutes Casino on Thursday. However, pins are traded and sold throughout the symposium.

PIN AUCTION *The 30th Year auction will be our biggest auction ever and will feature work by past presenters!* Invited artists exhibit handmade small works of art that are auctioned (silently) during the opening of the exhibition on Friday evening. This is a great opportunity to add to your contemporary art collection. Many of the top jewelry artists in the country donate to the auction. Proceeds benefit the Friends of the Yuma Symposium.

SAW, FILE & SOLDER SPRINTS Three-person relay teams usually, but not necessarily, skilled in metals convert the making of a simple ring into an exciting sports event. Naturally, a gorgeous trophy will be awarded to the winning team. Put a school team together and challenge the champs!

STUDENT EXHIBITION Registered student symposium participants are encouraged to bring a single "installation-ready" work for inclusion in the student exhibition, which is displayed concurrently with the presenter exhibition Friday evening. Pieces are to be hand delivered to the Yuma Art Center, Friday morning from 8 to 10 am, and reclaimed from 12 and 2 pm. Saturday. Although every effort will be taken to ensure the safety and security of the work, submission is at the student's own risk.

SHOW YOUR STUFF (aka Slide Abuse) This is a fun-filled event for any willing symposium participant who appreciates a diversity in aesthetic approaches. Short presentations of 5 minutes or less with slides or digital images can be presented. Carousels will be provided. Digital should be CD on Powerpoint 2004. See website for more information.
